Why is YOUR voice important?

Checkoff dollars are collected on all hogs sold from this state, but these funds can only be used for Promotion, Research, Consumer Information and Producer Education.

Pork Producers need one strong voice for their industry. The North Dakota Pork Council can be that voice. The council is made up of producers, like yourselves, who care about the states pork industry.

By becoming a member, every producer regardless of production size of type of operation, has a voice in policy making. Your voice, and those of hundreds of North Dakota Producers, needs to be heard on many important issues. You can be a part of the only organization dedicated to the future of North Dakota's Pork Industry. We need a united front on issues such as:

- Environmental Concerns
- Government Relations/Regulations
- Research
- Disease Management
- Foreign Trade

Join TODAY!

It'll be a good \$20 investment!

Annual dues are \$20 per producer, or associate member.
